

## Yes, I Support Equal Pay!

\$21,000 a year: that's how much extra pay a Black woman would earn each year if she was paid equally to the average White man. This impacts our retirements, our communities, and our day-to-day lives. We must value Black women's work!

**Fill out this card to show your support!**  
**We'll be in touch to provide updates & tools so you can join the effort to win equal pay for all.**
